| 4                | Yes, in most cases one week; some one month, or within the time allowed for discount.                                                                                           |                  | 348                                                                                                           |
| 5                | Yes, as a rule; but cases of distress occur when credit cannot well be refused for a week or two, and some cases longer, but all supposed to be paid by the end of the quarter. | 25               | Paid - - - - £. 741<br>Owing for rents and taxes, &c., 1867 - 40<br>Owing for rents and taxes, &c., 1866 - 54 |
| 6                | No rule of per-centage; it entirely depends on the circumstances of the case, and generally by a resolution of the committee, but not to exceed their paid capital.             | 26               | 2,750 <i>l.</i>                                                                                               |
